

## Conflicts of Interests Statement Form

Name: \_\_\_\_\_

Conflicts of interests refer to any current professional, financial or other interests of an individual or interests of his/her close family members which could improperly influence the individual's objectivity, independence and impartiality in carrying out duties and responsibilities as a representative/delegate/member of an organizational body of OpenCitations.

For the purposes of this policy, circumstances that could lead a reasonable person to question an individual's objectivity also constitute a potential conflict of interest. These potential conflicts of interest are also subject to disclosure.
